**Tuesday, July 22<sup>nd</sup> at 7:00PM at Gem Of The Hills**

**Dianne Wassenich**

**The health of Blanco County's major rivers and streams are at risk as more and more people move to the county and development increases. The knowledge Dianne has accumulated over decades of work protecting the San Marcos River and others applies perfectly to our county. Learn what we can do to keep the Blanco, the Pedernales and their streams running clean and clear.**

Dianne was Executive Director for San Marcos River Foundation and served on many stakeholder committees representing the river locally, regionally, and statewide.

- She is on the Board of the Great Springs Project, which works to conserve land and create a spring-to-spring trail, from the Alamo to the Austin
- She is a public representative on the Region L Water Planning Board
- She is vice-chair of the Bay/Basin Stakeholder Advisory Committee, set up by the Legislature to work on setting adequate flows in the Guadalupe/San Antonio/Nueces/Mission River basins and the associated bays
- She served for 12 years on the initial Steering Committee of the Edwards Aquifer Habitat Conservation Plan
- She served 6 years on the Plum Creek Watershed Program
- She served 5 years on the Upper San Marcos Watershed Initiative.
