Mark your calendar. Tuesday, July 22 starting at 7:00PM at Gem Of The Hills which is at 2233 North US Highway 281 just north of the City of Blanco. Doors open at 6:30PM for refreshments and conversation

Our Speaker is Dianne Wassenich

The health of the Blanco River and Pedernales River watersheds are at risk as more and more people move to Blanco County and development increases. The knowledge Dianne has accumulated over decades of work protecting the San Marcos River and others applies perfectly to Blanco County. **Learn what we can do** to keep the Blanco, the Pedernales and their streams running clean and clear.

On **October 28** we will hear from **Jill Shackelford**. Jill will discuss issues with asphalt production and aggregate mining in Blanco County. What can be done to resolve the problems when we need the products?
